

# CALL FOR REVIEWERS

## THE JOURNAL OF NUTRITION AND DIETETICS

The JND Editorial Board is inviting scholars with the required expertise to apply as reviewers for manuscript received as peer reviewers

### ABOUT JOURNAL OF NUTRITION AND DIETETICS

Journal of Nutrition and Dietetics (JND) operates a double-blind peer-review system. The journal is published on behalf of Kenya Nutritionists and Dieticians Institute. JND's publication of research articles primarily depends on their scientific validity and coherence, as judged by our external expert editors and/or peer reviewers. It also promotes national and international nutrition and dietetics-specific and sensitive research.

The Journal publishes original research articles, short communications and review articles, Systematic review articles, Meta-analysis review articles, and Case Report/Case series in the following areas:

- Clinical nutrition and dietetics.
- Food service therapy.
- Community nutrition.
- Public health nutrition.
- Nutrition practice and legal issues.
- Food science and nutrition.
- Multidisciplinary research related to the above areas.

## REVIEWERS' REQUIREMENTS

---

### 1. Senior Reviewers qualification

- i. They must be registered and licensed by the Kenya Nutritionists and Dieticians Institute or a relevant professional body in their country.
- ii. They Must hold a PhD and at least five years of post-doctoral experience in their chosen field.
- iii. They should have published at least ten publications in Nutrition and Dietetics in their chosen area of specialization.
- iv. The journal editorial team must complete peer review training.

### 2. Junior Reviewers qualification

- i. They must be Registered and Licensed with the Kenya Nutritionists and Dieticians Institute or a relevant professional body or equivalent in their country.
- ii. They Must hold a PhD and have graduated within 3 years.
- iii. They should have published at least three publications in Nutrition and Dietetics in their chosen area of specialization.
- iv. Must complete a peer review training by the Editor-In-Chief and the Editorial Board.

## REVIEWERS OBLIGATIONS AND RESPONSIBILITIES

---

- 1) Assess the scientific quality of the manuscript with their expert knowledge.
- 2) Prepare comprehensive and detailed review reports and remain responsive throughout the peer review process.
- 3) Uphold the highest standards of professionalism and ethics, avoiding personal, financial, or intellectual biases, focusing solely on the research quality and written presentation of the manuscript.
- 4) To preserve confidentiality throughout the review process and not disclose or use unpublished information or communicate the manuscript content without prior consent from the Journal of Nutrition and Dietetics Editorial Team.
- 5) Reviewers are requested to update their affiliation on their reviewer account to allow editors to identify potential conflicts of interest promptly.
- 6) To complete the review process by providing the reviewer's comments within 14 days.

## BENEFITS FOR SERVING AS REVIEWERS:

---

- 1) Support and maintain the integrity of scientific literature in the realm of Nutrition Science.
- 2) Enhance your professional reputation through peer review involvement.
- 3) Chance to become chair of sessions during Annual Conference.
- 4) Receive a certificate for your contribution as a reviewer.
- 5) To enjoy exclusive offers on Article Processing Charges when publishing with the Journal of Nutrition and Dietetics.
- 6) For professional reviewers shall earn 6 CPD points.

**To be a JND reviewer, please click on <https://shorturl.at/VqRNV> and submit your CVs. For more information, reach out to Editorial secretariate; [kndijournal@kndi.institute](mailto:kndijournal@kndi.institute)**
